CAPABILITY STATEMENT

MISSION BOX TECHNOLOGIES LLC is a SBA-Certified: **Service-Disabled Veteran-Owned Small Business (SDVOSB)**. Our mission is to shape the future of our country and its security by providing top-tier tech solutions by harnessing human ingenuity with advanced technologies. We are your premier partner in driving digital transformation and here to solve your mission-critical needs.

MBT specializes in providing cutting-edge tech solutions to Federal, State, and local governments, as well as the Intelligence and Defense communities.

ABOUT US

Shaped by the commitment of our founders, a 20-year Army Veteran and his Military Spouse. With over two decades of experience serving in and supporting the military, commercial, and the government sectors. Our company name is rooted in excellence. The phrase Mission Box has its origin in recruiting duty while serving in the military. Expectations were to always “make mission”, however only the best organizations would achieve what is called “Mission Box” which meant exceeding mission requirements. This inspired our name as Mission Box Technologies because we are precisely focused on helping you exceed your strategic objectives.
